Education Background

- Savitribai Phule Pune University Bachelor's in Computer Engineering 2023 - Present

- Maharashtra State Board of Technical Education Diploma in Information Technology 2020-2023 Maharashtra State Board SSC 2019

About Me

I am currently enrolled as a second-year student in pursuit of a Bachelor's degree in Computer Engineering at Smt. Kashibai Navale College of Engineering, Pune. Prior to this academic endeavor, I successfully completed a Diploma in Computer Engineering. My educational background has provided me with a robust proficiency in programming languages, notably encompassing C, C++, and Java. Recognized for my diligence and proactive approach to learning, I exhibit a profound interest in Java-based technologies, striving to deepen my expertise in this domain.

Experience

Intern

Flyview GIS Technology Pvt. Ltd.

- During an engaging six-week internship at a web development company, I delved deeply into the realm of web development, undertaking the creation of 2-3 websites of varying complexity levels, ranging from basic to moderate. This immersive experience significantly bolstered my practical proficiency in web development while also imparting invaluable insights into the operational intricacies of the web development milieu. Despite my primary focus not originally being directed towards web development, I wholeheartedly embraced the opportunity presented and adeptly delivered successful projects within the stipulated timeframe.

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking
- Teamwork
- Leadership

CERTIFICATIONS

2023	Diploma in Computer Engineering
